All I Need To Know

Words and music by Glyn Lehmann

Verse 1

How do I make the world a better place?
How do I put a smile upon your face?
How do I let my feelings show?
That's all I need to know

Verse 2

How do I turn a foe into a friend?
How do I see it through until the end?
How do I set off down that road?
That's all I need to know

Chorus

Be kind, be kind
Leave bitterness and jealousy behind
In time you'll find
It all will be returned to you in kind
Be kind

Verse 3

How do I find the good in everyone?
How do I make my light shine like the sun?
How do I live and learn to grow?
That's all I need to know

Verse 4

How do I make the world a better place?
How do I put a smile upon your face?
How do I let my feelings show?
That's all I need to know

Be kind, be kind
Leave bitterness and jealousy behind
In time you'll find
It all will be returned to you in kind
Be kind
