Christmas Is Coming

Words and Music by Nick Vall

Verse 1

Christmas is coming, there's something in the air
They're playing Jingle Bells again I hear it everywhere
Ooh the smell of baking and all the Christmas treats
Kids the whole world over, counting down the sleeps
Three! Two! One!

CHORUS

Up and down the street all the people we meet
Say 'Merry, merry, merry Christmas'
Every where I go instead of 'Hello'
It's 'Merry, merry, merry Christmas'

Verse 2

Christmas is coming, I know it's coming soon
We're out there singing carols beneath the silver moon
The park is full of people, we sing by candlelight
A hundred thousand candles lighting up the night
Sing! Sing! Sing!

CHORUS

Verse 3

Christmas is coming, I'll tell you how I know
Houses decked in fairy lights, put on a Christmas show
Stars and angels singing, the shepherds and the sheep
It's all there like the story, the baby fast asleep
Sh! Sh! Sh!

CHORUS x 2
