## **CURIOSITY**

Words and music by Nick Vall

### **CHORUS**

Wonder why when where which who what  
Curiosity is what we've got  
Looking and listening to find out  
What this great big world's about

### **Verse 1**

Wonder why when where which who what  
Wonder if the platypus has a nose or not  
Wonder why the possums will muck about at night  
When are snakes out and about and do lizards bite?

### **CHORUS**

### **Verse 2**

Wonder why when where which who what  
Wonder why the penguins don't like it when it's hot  
Which bird likes to have a skink for a little snack  
What's a froggy doing with babies on its back?

### **CHORUS**

### **Verse 3**

Wonder why when where which who what  
Is a seal pup talking when it goes: Au! Au!?  
How do catfish find their prey when it's really dark?  
Here's a question: Can we share the ocean with a shark?

### **CHORUS x2**

What this great big beautiful world's about!
