

4. DISCO DIVA

(part of the *Dance Crazy!* song-cycle)

VERSE 1

(Soloist)

The DJ plays my song so you can dance
You're on the dance floor in your gold hotpants
Beneath the mirrorball
I hope you do not fall
Those platform shoes can be so risky

CHORUS

(Soloist & Choir)

D-I-S-C-O

The bass is thumping
My heart is pumping
At the D-I-S-C-O
The music is loud
I'm a part of the crowd
At the D-I-S-C-O

My songs go on and on forever

One arm high in the air
That man has Saturday Night
