and score visit: songlibrary.net

Verse 1

Sometimes I feel happy
And everything's just right
Sometimes I feel lonely
There's not a friend in sight

Verse 2

Sometimes I feel worried
Sometimes I'm angry too
All these different feelings
Are part of me and you

Chorus

But what is a feeling? - *What is a feeling?*
I would like to know - *I would like to know*
Where does it come from? - *Where does it come from?*
Where does it go? - *Where does it go?*

Verse 3

Sometimes I feel sad
Sometimes I don't know why
Sometimes I'm excited
I feel like I could fly

repeat Chorus

Bridge

Feelings are like clouds
They come and then they go
Some bring the rain
Some bring the snow
Some help make a rainbow

repeat Chorus

Outro

Everyone has feelings - *Everyone has feelings*
That's what I know - *That's what I know*
When I share my feelings - *When I share my feelings*
That's how friendships grow - *That's how friendships grow*
