Solo 1 & 2

We both love to get outside and play
Netball, football, basketball and soccer
One day ya play a ripper
Next ya play a shocker

Solo 1

It doesn't really matter though

Solo 2

It doesn't really matter though

Solo 1

'Cos we just like to have a go!
Have a go

Solo 1 & 2

Have a go!

Choir

Her name's Rozzie, his name's Roy
She's a sporty girl
And he's a sporty boy
They both love to get outside and play
Netball, football, basketball and soccer
One day ya play a ripper
Next ya play a shocker
It doesn't really matter though

Solo 1

Roy says he can beat me any time of day
I told him he's dreamin', then I said, 'No way!'

Solo 2

Rozzie says, 'Choose your sport, see how
good you are.'
Now I'm thinkin' maybe I pushed her just a bit
too far

Choir

Have a go, have a go, have a go
It's only a game after all
Give it your best shot
If you lose, so what
At least you had a go

Solo 1

So what's it gonna be Roy, how
about a race?

Solo 2

Do ya think Rozzie, you can hack
the pace?

Solo 1

Twice around the schoolyard

Solo 2

Doesn't sound too hard

Solo 1 & 2

Let's have a go, have a go

Rozzie leads at the rubbish bin
Roy is waving to a friend
Rozzie's shoelace comes undone
Roy thinks he has almost won
Rozzie's shoe flies through the air
Roy gets hit but doesn't care
Rozzie trips and falls to the ground
Roy ends up in the lost and found!
