

HEROES

A song trilogy

words & music by Glyn Lehmann

2. My Hero

Movie stars in great big cars
Lighting up the screen
Sporting hero strikes a pose
In a magazine
They might be the heroes others may prefer
But they're not my hero, my hero, my hero

PRE-CHORUS

Remember the time when all that I needed was
Someone to talk to
Remember the day you stood by me
When everyone else walked away
I remember, I remember

CHORUS

Thankyou for believing in me
I know that you're always there
And there's something you should know;
You are my hero
Thankyou for your understanding
Even when I'm hard to bare
You are my one true hero
My hero, my hero, my hero

Na na na na na na na
Na na na na na

You don't think those things you do
Mean that much to me
But without those little things
I'd be all at sea
I forget to tell you how I really feel
that you are my hero, my hero, my hero

PRE-CHORUS

CHORUS

You are my, my only true hero
Thankyou for believing in me
