

## **Language Is The Key**

Words & music by Glyn Lehmann

### **Chorus**

Spread the word  
Language is the key  
Bringing us together  
You and me

Spread the word  
Language is the key  
We, you, me  
Become community

### **Verse**

Words unlock our stories  
And tell you how I feel  
Language is the key to our culture  
Brings it alive and makes it real

Whether we're talking face to face  
Or sending messages through space  
Spreading the word  
That language is the key

### **Chorus**

### **Bridge**

Through music and dancing  
Language is alive!  
Through festivals we celebrate  
Language, language is alive

### **Chorus**

### **Tag**

We! You! Me!  
Community!
