## On Our Way

Words and Music by Glyn Lehmann

### Verse

Here we are together one more time  
Soon we will be on our way  
There's a path that each of us will take  
Where it leads no one can say

### Pre-chorus

We're leaving all our troubles in the past  
We're looking to the future  
(S) Right here (A) right here  
(S) Right now (A) right now  
Right here is where it starts!

### CHORUS

All the things we will see  
All the things we will do  
All the things that are waiting there for you  
(S) Waiting there for me too

(A) All the things we will see  
(S) All the things that we will see  
(A) All the things we will do  
(S) All the things that we will do  
(A) All the (AS) things that are waiting there for you  
(A) Waiting there for you  
(S) Waiting there for me too

### Interlude

There's a path that each of us will take  
Many paths we'll cross along the way  
And these paths have brought us here today

repeat **Verse** (with echo)

repeat **Pre-chorus**

### CHORUS x 2

### Outro

There's a path that each of us will take

(S) = sopranos (A) = altos
