Peace By Piece

Words and music by Glyn Lehmann

Intro

Peace is the path
Not the destination
It's a way of living with each other

Verse 1

Sister to brother
Father to mother
Neighbour to neighbour
Nation to nation
It takes some patience and inspiration

Verse 2

It starts with you
It starts with me
Like those before us
We join the chorus
We add our voices, we're making history!

Chorus

Peace is the path that we make
With every step that we take
We're building bridges
Making peace by building bridges
Making peace by the path that we make
And every step that we take
We're building bridges
Making peace by building bridges
Making peace by (S) piece by peace
(A) Peace by piece by peace by piece
By peace by piece by peace

Bridge

They say that Rome wasn't built in a day
And that's just another way to say
Piece by piece is the only way
To build something strong that's here to stay
Build something strong that's here to stay
