

Respect

Words and music by Glyn Lehmann

Verse

There's a thing that we all need
Just like water and the air we breathe
It's a bridge between us all
Makes you feel you're ten feet tall

Pre-chorus

It cannot be bought, it cannot be sold
But you can earn it if you take control

Chorus A

And respect each other
Respect yourself
Respect and tolerance
Build a bridge - break down the fence
Respect each other
Respect yourself
Respect and tolerance

Chorus B

Build a bridge - break down the fence and
Build a bridge - break down the fence and
Build a bridge - break down the fence and
Build a bridge of respect

Bridge

Oo – Oo – Oo – Oo – Oo

Repeat Verse

Repeat Pre-chorus

Repeat Chorus A

Repeat Chorus B

Outro

Respect each other
Respect yourself
Respect and tolerance
Build a bridge - break down the fence

repeat Outro twice, then...

Respect!

Rap lyrics

Verse, Pre-chorus, Chorus A (*no lyrics*)

Chorus B

Break down the fence and build a bridge
(6 times) then...
Of respect

Bridge

Don't respect the bully though
Cos we know something they don't know
They're just putting up a great big fence
Around themselves it makes no sense

Sooner or later they'll realize
They can't get out cos they're trapped inside
The only way now for them to be free
Show respect for you and me - cos
