

## The Earth Turns

Words by Phil Cummings

Music by Glyn Lehmann

The earth turns  
To a new day  
The earth turns  
The earth turns  
To a new day  
The earth turns  
We will turn with it  
We will turn with it  
We will not turn away

We walk in sunshine  
Scattering seeds  
Lay earth's carpet  
The tender weave  
Shoots bow heads  
in falling rain  
Rebirth  
Regain  
Our earth sustained

Together we walk  
Together we know  
That from today tomorrow will grow  
Together we walk  
Together we know  
That from today tomorrow will grow
