## **The Polliwog**

words and music by Glyn Lehmann

### **CHORUS**

Have you ever seen a polliwog  
Hiding in the water underneath a log  
Lurking in the shadows  
Growing every day  
I hope I never see a polliwog!  
No I never want to see a polliwog!

### **Verse 1**

Someone said they saw a polliwog  
Down at the waterhole chasing a dog  
It had no arms and it had no legs  
A long swishy tail and a great big head

### **CHORUS**

### **Verse 2**

Someone said they saw a polliwog  
Down at the waterhole chasing a dog  
It had two arms and two short legs  
A short stumpy tail and a great big head

### **CHORUS**

### **Verse 3**

Someone said they saw a polliwog  
Down at the waterhole chasing a dog  
It had a round body and two long legs  
And big bulgy eyes on the top of its head

### **Coda A**

I began to wonder about the polliwog  
Why was it changing, could it chase a dog?  
Although I was frightened  
I must be brave  
I really want to see a polliwog  
Yes I really want to see a polliwog!

### **Coda B**

Down at the waterhole with my dog  
I went looking for the polliwog  
Waiting by the water sitting on a log  
Up jumped a little green frog

(spoken) And it chased my dog! Woof!
