## **This Time Of Year**

Words and music by Glyn Lehmann

### **CHORUS**

We all love this time of year  
With our friends and family gathered near  
Generations of relations  
Old and young and big and small  
Come together at this time of year  
At this time of year

### **Verse 1**

Families come in different sizes  
Families are full of surprises  
Some are small and some are quiet  
Some are big and cause a riot!  
Through the years we see the changes  
Babies grow into teenagers

*repeat CHORUS*

### **Verse 2**

Families are like jigsaw pieces  
Uncles, aunties, nephews, nieces  
Mothers, fathers, sisters, brothers  
Sons and daughters, many others  
Cousins, first and once removed  
Grandmas, grandpas, great ones too

*repeat CHORUS*

### **Interlude**

Different cultures and traditions  
Different customs and religions  
With your friends and your relations  
Come and join our celebration!

*repeat CHORUS*
