Welcome Song

Words and music by Glyn Lehmann

Verse 1

You could be home in bed
If you weren't here instead
Or sailing on a yacht
But we're so glad you're not

Verse 2

You could be climbing trees
Or at the movies
Doing the things you do
When you're just being you

Chorus A

But we're so glad you're here
Cos if you weren't here
Then you'd be somewhere else
If you were somewhere else
Then you wouldn't be here
And we wouldn't get to know you

Chorus B

So welcome
We're so glad you're here
So welcome
Now we'll get to know you

Verse 3

You could be at the zoo
Watching what monkeys do
We'd like to be there too
But not if without you

Verse 4

You could be at the fair
You could be anywhere
Where anyone could be
If you weren't here with me
And me, and me, and me...and me!

Repeat **Chorus A** and **Chorus B**

then...

Sopranos: **Chorus A** and **Chorus B**
Altos (opt.): **Chorus B** and **Chorus A**

We'd like to get to know you
We know we'd get to like you
We hope you'll like us
Two, four six, eight
We hope you'll like us
Who do we appreciate?
We're so glad you're here
It's you!
